

ABBEY PARK SCHOOL

September 2017

Dear Parent

Photography in School

Our school needs and welcomes positive publicity. Children's photographs add colour, life and interest to articles promoting school activities and initiatives. Making use of photographs in school publicity materials can increase student motivation and staff morale and help parents and the local community identify and celebrate the school's achievements.

Please indicate below if you are happy for your child to be photographed during school activities.

If you have any concerns regarding the photography of your child at any time please contact us in writing.

Yours sincerely

Mr J Young
Principal
